A MESSAGE FROM OUR CEO

DIANE SCHERER
PRESIDENT & CEO

We're proud to announce FPCCFCU is now offering several merchant solutions that make it easier for businesses to accept payments. Regardless of size or industry type, we have a payment solution that can help business owners reduce fees, provide additional security to their businesses and customers, and improve both business operations and customer experience.

Check out some of the ways our merchant solutions can benefit your business:

- **Lower Fees and Faster Payment:** There are no application, setup or termination fees and, with interchange optimization, you can qualify for the lowest possible rates. Plus, you get paid faster with next-day funding and automatic bank account deposits.
- **Additional Security Features:** Accept payment methods of all varieties knowing each one is secured through encryption, tokenization and additional security features. You can even become an EBT retailer to stand out from the competition and broaden your customer base.
- **Improve Your Business Operations and Customer Experience:** Our software gives you a streamlined process to manage your inventory, collect, file and pay your sales tax, access real-time, online reporting and keep track of employee schedules and sales numbers.

Contact us today and we'll help you find the most secure and affordable payment acceptance option for your needs.

Reflection of Caring Scholarship Application

FPCCFCU will be awarding scholarships to students who have demonstrated their commitment to making our community a stronger and better place to live. Two scholarships of \$3,000 each will be awarded to applicants who best exemplify this dedication to service. The application is available at fpccfcu.org/scholarship.
